

e-Bulletin News Flash from Cheshire PA Support, March 2026

WELCOME to our latest update.

It's been a while since we last updated you on the situation here at Cheshire PA Support, so we thought it was time!

So firstly, thank you so much to everyone who has been in touch to see how things are, it's very much appreciated.

However, it is with regret that we write this update to inform you that there is no change in our circumstances, and we still remain closed, and will do for the foreseeable future!

We know this isn't the news you would have been hoping for, nor is it the news we wanted to share, but unfortunately health has to come first.

As we have always said, the sole reason we are closed is due to health reasons and nothing else.

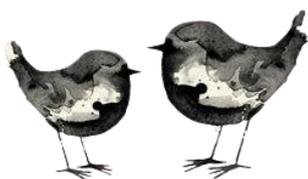

Unfortunately, we do not know if we will reopen at this stage, but if things ever do change, we will of course update you all.

We have also taken the decision to stop accepting referrals into the service, to be added onto our waiting list for the same reason mentioned above, at this time we do not know if we will reopen.

If you do have any questions in the meantime, please can you forward them to admin@cheshirepasupport.co.uk and someone will reply as soon as possible. Messages on social media will not be replied to.

Thank you to everyone for your support.

(We will continue to share community news and updates which we feel may be of benefit to our amazing following on Facebook.)
